This is a great value, 5 berth family "staycation" van. Equipped with permanent fixed rear bunk beds, a rear side dinette which converts to berth No. 5 and a superbly spacious U-shaped wrap around front lounge to seat all the family and convert to a good size double bed. At night, the rear accommodation is separated from the front of the 'van by a concertina door. The centre kitchen has a three-burner gas hob and an 80-litre 3 way (Gas/12v/240v) Thetford fridge' The toilet/shower compartment is on the nearside, between the living area and the rear of the 'van. It's well-appointed with the Thetford bench cassette toilet, a good size washbasin, ample storage facilities for toiletries, a large obscure-glazed window, and a ventilator in the ceiling. The Altea has a conveniently low weight of just 1300KG MTPLM
